Re: LETTER OF RECOMMENDATION

To whom it may concern:

It is my distinct pleasure to write this Letter of Recommendation for Kati Kempe. Kati completed a 18 months traineeship at Robert Cohen Architect LLC, the architectural practice of which I am Principal and Founder.

Kati was charged with tasks listed in the separate document "Overview of Tasks".

The focus was primarily on marketing and business implementation for Robert Cohen Architect LLC, Westport, CT, The Architect Builder, New York, NY, Westport & New Canaan, CT and JGArchitects PLLC, New York, NY.

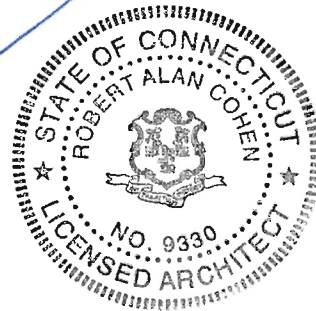

Kati was both highly competent and self-directed. She solved problems in a proactive way with an understanding of the larger goals of each project. As the Principal, I needed only to give instructions once and I had full confidence in her carrying out her tasks precisely and correctly. She was organized to meet deadlines by breaking down larger tasks into smaller ones with interim deadlines. She is excellent at managing time.

Popular with staff and Principals, Kati has excellent communication skills with strong potential as a client communicator. She is determined and takes great pride in the quality of her work. In addition she is a team player; reliable and goal-oriented and comfortable with taking on large and complex tasks under deadline pressure.

I am confident that Kati would be an asset to any organization and it is with the greatest pleasure that I give her my highest recommendation. If you have any further questions with regard to her background or qualifications, please do not hesitate to contact me.

Sincerely,

Robert Cohen, AIA, NCARB
